Thank you for your letter dated 26th April inviting ECPA to participate in the PEST Committee Hearing taking place on 15th May. Please find enclosed our written answers to the questions submitted to us in advance. We have answered each question as completely as possible.

I, along with my colleague Emma Jenkins from one of ECPA's member companies, look forward to attending the Committee, and to supporting the Committee's work by answering any further questions you, or the Members of the Committee, may have.

Yours sincerely

Jean-Philippe Azoulay
